

91D
3/13/87

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re the application of:

VIRTANEN ET AL

Art Unit: 125

Serial Number: 804,197

Examiner: Friedman

Filed December 3, 1985

Batch No. T77

Date of Allowance: November 12, 1986

For: Method For Bringing About Sedation and/or Analgesia
in a Mammal

AMENDMENT UNDER 37 CFR 1.312 AND
SUBMITTING OF COPY OF REFERENCE

Honorable Commissioner
Washington, D.C. 20006

February 9, 1987

Sirs:

This paper is being submitted to correct a minor error in the Examiner's Amendment that was attached to the Notice of Allowability mailed September 18, 1986. Additionally, this paper is being used to transmit a copy of the Vainio reference discussed in the specification disclosure at page 1 and identified in the Information Disclosure Statement filed February 3, 1986.

Please amend new claim 6 as follows:

Claim 6, line 2: after "analgesia" delete "or" and insert
--in--.

REMARKS

6. The above amendment corrects a minor error in new claim

The Vainio reference is being submitted in view of telephone discussions between the Examiner Mr. Friedman, and the undersigned attorney on November 5 and 7, 1986. Mr. Friedman stated that the reference would not be made of record in the
